Player Profiles

Each week High School Sports Rewind highlights outstanding student-athletes who excel in the classroom as well as on the field. These students are also featured giving back to their communities by volunteering their time to assist with youth programs, non-profit groups and other charitable organizations. HSSR's goal is to promote these exemplary behaviors and position these athletes as positive role models to their peers. **(School Administrators – We need your help to identify these worthy students so they can get the recognition they deserve).**

Team Spotlights

Teams throughout the Southland are also featured each week. We look for teams in a variety of sports (girls and boys) that promote great team spirit, camaraderie, hard work, discipline and fairness. We also focus on teams that give of their time to assist community organizations in their areas. Again, HSSR's intent is to spread a positive message to viewers. **(We need your help to identify teams from your area to nominate for our Team Spotlight segments).**
